MEALS

Sumner County provides lunch for criminal cases involving felony charges. All other

meals are the responsibility of the jurors. If lunch is not provided, you will be allowed to leave the courthouse during the lunch break. You are also welcome to bring your own food and/or drinks into the jury room. Some snacks and drinks are provided.

ATTIRE FOR COURT

You should wear comfortable, neat clothing. It is not required that you wear “Sunday dress” attire, but business casual is recommended. It is also a good idea to bring a sweater or light jacket in case you find the courtrooms to be cold. **DO NOT WEAR** shorts or tank tops, sweat suits, t-shirts or jogging suits that is not in keeping with the dignity of the court.

LAWS GOVERNING JURY SERVICE

Any person summoned for jury service in Sumner County Circuit Court is required to report as directed unless excused by the Court. The grounds for an excusal are limited as jury service is an acknowledged duty of citizenship, and our form of government requires individuals to serve as jurors when called. A person summoned for jury service who fails to appear as directed can be ordered by the Court to appear and show cause for failure to comply with the summons. If a person fails to appear, they could be held in contempt of court and fined up to \$500.

By statute, an employer may not discharge, threaten to discharge, intimidate, or coerce any permanent employee because of the employee’s jury service, or the attendance or scheduled attendance in connection with jury service. Employers could be found guilty of a Class A misdemeanor should this occur. If you believe your employer has engaged in such prohibited conduct, you should inform the judge or the clerk immediately.

REQUESTING EXCUSE

When your jury number is called to report via text message or via the Juror Information Line, that means we are expecting you to be here. **PLEASE DON’T WAIT** until you get your notification to report to let us know you are not available. In the event of a last-minute emergency, call the Jury Coordinator at (615) 934-5120.

ELIGIBILITY

A person is only eligible for jury service if he or she is at least 18 years of age, is a citizen of the United States, has been a resident of Sumner County for at least 12 months, has not served as a juror during the previous 12 months, and has not been convicted of perjury, a felony, or any infamous offense. There is no maximum age beyond which a person is excused from jury duty. However, anyone over the age of 75 that also has a mental or physical condition that would hinder their jury service, is eligible to submit an Age and Disability form in order to be excused from service. That form is available online at sumnercourts.com. The form was also mailed to you with your original jury summons. All other persons with a physical or mental condition that feel they are not able to serve on jury duty must submit documentation to the Jury

Coordinator along with the proper form to apply for an excusal from jury duty.

BAD WEATHER

If Sumner County courts close due to bad weather on the first day you are to report for jury duty, you are not required to appear on that day. The Juror Information Line will be updated as well as text messages sent to jurors that have signed up for text message notifications regarding court closings.

JURY INFORMATION LINE

Once you have signed up for jury duty, jurors are **REQUIRED** to call the Jury Information Line, (615) 451-6053, after 4:30 pm on the last business day before the specified reporting date. Remember, if you do not call the jury information line and report unnecessarily as a result, you will not be paid for your attendance that day; it will not count as one of your days of attendance; and we cannot verify your attendance to your employer.

The recorded message will inform you whether there has been any change in your reporting date or time. The message will not refer to you by name, but by juror number.

The Jury Information Line is a **RECORDED MESSAGE ONLY**. If you need to speak with the Jury Coordinator, please call (615) 934-5120 Monday – Friday, 8:00 am – 4:30 pm.

TEXT MESSAGE NOTIFICATIONS

If you prefer to be notified when you are required to appear for jury duty instead of calling the Jury Information Line, then you must send a text message containing the words SUMNERJURY to (866) 426-9531. Once you sign up for text message notifications, you will receive a text on the afternoon before you have to report informing you of which juror numbers need to report, the time to report and the location.

Please note that all jurors that have signed up for text messages receive the jury reporting messages. The messages are not sent only to the jurors that must report. If you have already been excused for that day by the jury coordinator, then we do not expect you to appear.

PAYMENT FOR JURY SERVICE

Attendance Fee: \$11.00 per day

You will be paid for each day you attend when your juror number is asked to report, whether you are selected to serve on a jury or not. The court cannot pay you if you fail to call the Juror Information Line or sign up for text notifications and report when you are not supposed to report. Juror service payment is processed at the end of your service term and mailed to the address you provided in your jury questionnaire. If you have questions regarding your juror payment, please contact the Jury Coordinator.

If you are employed, you are entitled by law to receive your regular pay from your employer, minus the \$11.00 attendance pay. If your employer requires you to not accept payment, please consider donating your payment to the Criminal Injuries Compensation Fund. If you would like more information about this provision, please request a donation form from the Jury Coordinator when you report for service. If you need supporting documentation showing that you were in attendance for jury service on the day you report, then please ask the Jury Coordinator or Clerk for said documentation before leaving the courthouse.

SECURITY

It is a security requirement that every person entering the Sumner County Courthouse go through a metal detector. Cell phones are allowed inside the courthouse, but bags and purses larger than 5" x 8" are not allowed inside the courthouse. You will need to leave those items at home or in your car. **Please make certain to have a photo identification with you.**

USE OF ELECTRONIC TECHNOLOGY

It is essential that jurors' decisions be based solely on the information received in the courtroom.

Please remember these rules:

Do not talk to anyone or let anyone talk to you about the case. This includes your family and friends. You must not discuss any aspect of the case with anyone until the trial is concluded. Also, do not discuss the case with other jurors until your deliberations begin.

Do not receive or send electronic communications about the case. This includes texting, emailing, blogging, posting information on social network websites, or using any other electronic communication to discuss, or even mention, the case.

Avoid outside information from the internet or other sources. This means that during the trial, you must not conduct any independent research about the case, the matters in the case, and the individuals or corporations involved in the case. Do not try to find out

information from any source outside the confines of the courtroom. This includes consulting dictionaries or reference materials, searching the internet, websites, blogs, or using any other electronic tools to obtain information about the case. You must also avoid news reports – broadcast, print or internet relating to the case or issues in the case.
